Trade Compliance

Even 'civilian' companies can encounter sensitive situations when exporting items, which put them at risk of violating applicable control rules or embargoes. In this training, you will learn how to avoid these sensitive situations as an employee and how to protect your company from the negative consequences of an export control violation.

Booking Number: **34033**

Group of participants:
All employees can be trained on trade compliance and successfully protect themselves and their company when exporting dual-use goods.

Duration: **approx. 1 hour**

Language:  

Unit price:

€ 49,- zzgl. MwSt. | € 58,31 inkl. MwSt.

Package prices from 50 licenses on request

Learning objectives

- ✓ About the control rules and embargoes applicable to the international trade of goods and services
- ✓ How you and your company could be affected
- ✓ The risks associated with export control violations
- ✓ How to recognize sensitive situations in everyday business life and how to deal with them

Contents

- Reasons for trade restrictions
- What do export controls cover?
- To whom and where are exports not permitted?
- What are dual-use items?
- How do I get an export licence?
- What happens when export restrictions are breached?
- How you can protect yourself and your company against breaches of export control?
