# Leadership for Non-Managers

Are you faced with the challenge of having to prove your leadership qualities in addition to your subject matter expertise? Take on more responsibility in your company, as a leader without authority. To do so, increase your influence and make use of your creative scope.

In this e-learning you will learn to analyse and actively use your environment. To do this, you will evaluate the formal and informal structures in your company and learn by which means you can increase your sphere of influence. Using concrete examples, you will gain insight into typical situations of leadership for non-managers and possible solutions.
