Exam Preparation PMP® (Project Management Professional according to PMI®) (Präsenz)

Intensive training with a PMI® Authorized Training Partner (ATP)

The Project Management Professional (PMP)® certification is the world's most recognized qualification in project management – held by more than 1.7 million professionals. It is the ideal advanced training program if you already have professional experience in project management and want to validate and certify both your theoretical and practical knowledge. This training – delivered by a PMI® Authorized Training Partner (ATP) – prepares you specifically for the current PMP® exam and provides you with the 35 contact hours required for exam eligibility. Content and structure are based 100% on original PMI®-developed course material and the current PMP® Examination Content Outline (ECO).

Content

- **Fundamentals of the Project Management Institute (PMI)®** and the PMBOK® Guide – 8th Edition (PMI®, November 2025) with the 6 core principles, 7 performance domains, and 5 focus areas with 40 adaptable processes.
- Understanding of project management, ethical guidelines, and standards of professional conduct according to the PMI® Code of Ethics.
- **Intensive exam preparation** along the three domains of the current PMP® Examination Content Outline.
- In-depth coverage of all relevant knowledge areas: integration, scope, schedule, cost, quality, resource, communications, risk, procurement, and stakeholder management, as well as virtual team management and document management.
- **New exam topics relevant since July 2026:** artificial intelligence in project management, sustainability, the modern role of PMOs, and consistent value orientation.
- **Clarification of eligibility requirements** and practical support with the PMI® application and exam process.
- Your personal learning plan for the self-study phase after the training.
- **PMI® Study Hall:** 3 months of free access to the official PMI® exam preparation tool included – with learning refreshers, extensive practice questions, and a realistic exam simulation.

Online Learning Platform

In your online learning environment you will find useful information, downloads and Extra-Services for this qualification measure after your registration.

Your benefits

With this offer, you receive verified, practice-oriented preparation for the PMP® exam – delivered as training by a PMI® Authorized Training Partner (ATP) based on original PMI® course material.

- PMP®-certified trainers guide you through the training.
- You work through the exam-relevant content in a compact format and build on it specifically through self-study.
- You get to know the format, language, and the new question types of the current exam.
- With the official PMI® Study Hall (3 months included), you train in a realistic way, receive feedback, and can steer your learning plan with focus.
- Your chance of passing the exam on your first attempt increases significantly.
- **1 year of PMI® membership included:** access to the PMBOK® Guide (8th Edition) and other PMI® resources.
- **35 contact hours:** You are automatically credited with the 35 contact hours required for exam eligibility.

Methods

Lecture, extensive exercises and group work, literature study, case studies, step-by-step approach, hints on "pitfalls," sample questions, and discussion of answers.

Training materials:

The seminar language and the training materials are in English. They are included in the seminar price (digital & print). As a PMI® member, you can additionally download the PMBOK® Guide free of charge.

Who should attend

Experienced project managers aiming for PMP® certification who want to prepare intensively; specialists and managers who regularly lead projects and want to have their experience officially certified; CAPM®-certified professionals with sufficient practical experience who want to take the next step.

Final examination

The PMP® exam is taken at a PearsonVue test center or from home (so-called "online proctoring"). PMI® charges an exam fee directly – currently 405 US dollars for PMI® members (your benefit: 1-year PMP® membership included with us!) and 655 US dollars for non-members. Further details on the exam are provided during the training and directly at www.pmi.org.

Open Badges - Show what you can do digitally too.

Open Badges are recognised, digital certificates of participation. These verifiable credentials are the current standard for integration in career networks such as LinkedIn.

With them, you digitally demonstrate the competences you possess.

After successful completion, you will receive an Open Badge from us.

Instructor

Dirk Doppelfeld
Nach fast 19 Jahren beruflicher Erfahrung in einem Unternehmen habe ich mich 2011 entschieden, als Trainer, Berater und Coach im Projektmanagement zu arbeiten. Meine Idee war, mein Wissen und meine Erfahrung mit anderen Menschen zu teilen und nahezubringen. Viele Projekte stehen für positiven Wandel und Fortschritt. Es ist mein Beitrag, um die Welt ein bisschen besser zu machen.

Christian Dworschak
Ich heiße Christian, komme aus Österreich und brenne seit über 2 Jahrzehnten für das Thema Projektmanagement: Als Berater, Trainer und Coach. Ich liebe es Lernkonzepte zu entwickeln und als Trainer Lernräume zu schaffen, in denen Interaktion, Praxisnutzen und persönliche Entwicklung im Mittelpunkt stehen. Mein größte Motivation: Die Begeisterung der Teilnehmenden zu spüren - sowohl in meinen Lehrveranstaltungen als auch im Wunsch, Dinge nach dem Training direkt in die Umsetzung zu bringen.

Rüdiger Geist
Ich bin Managing Director in der Schweiz und arbeite seit vielen Jahren als Berater, Trainer und Entwickler von Projektmanagement-Simulationen. Als Associate Professor lehre ich Projektmanagement an mehreren Hochschulen im In- und Ausland. Ich bin PMP, PfMP und IPMA Level B zertifiziert, war Mitglied internationaler Fachgremien und publiziere regelmäßig zu Projekten in komplexen und multikulturellen Umfeldern. 2017 wurde meine Arbeit mit dem PMI Award „Education Product of the Year“ ausgezeichnet.

Your advantages at a glance

Open Badges
Add your digital badge to career networks and show what you can do.
