

Fit for International Negotiations: Optimising your Negotiation Techniques

Navigating cultural diversity in international business negotiations and strategies for effective communication

International business does not only cross borders, it also crosses cultures: Even when negotiating in the same language we have different negotiation styles and different expectations. Do you get irritated when your negotiation partner haggles over the price or when he or she shows very little body language? Differences can make the negotiating process difficult or impede the process. In this training you will get to know different negotiation methods and strategies in combination with cultural background.

Sebastian Hawkins

Ich bin Trainer und Coach, weil ich gern sehe, wie Menschen schnell sicherer werden – in Verhandlungen, schwierigen Gesprächen und im Auftreten. Den Anstoß gab eine Inhouse-Trainerin im Freundeskreis:

Germany. Expertise: communication, persuasion and influence, presentation, rhetoric and story telling, presence, body language, stress management, intercultural competence.

„Das könntest du auch.“ Mich motiviert, wenn Teilnehmende merken: Das kann ich anwenden.

Was mich ausmacht: praxisnahe Trainings mit viel Übung, klarer Struktur und humorvoll-offener Atmosphäre. Echte Fälle, greifbare Tools, viele Beispiele – auch aus eigenen Fehlern. Kein „one size fits all“, sondern Entwicklung entlang der eigenen Stärken. Und ja: Mein "Britishness" sorgt oft für ein Schmunzeln – und macht manches leichter ansprechbar.
